

Job Description

Title: IT Infrastructure and Security Manager

About the Company

TRAction is a leading company in the global Regtech industry providing regulatory trade reporting solutions and services to businesses dealing in OTC derivatives and other financial products requiring transaction reporting. We support over 100 clients across the world to meet their regulatory reporting obligations and report over 10 million trades daily to global regulators including ESMA, FCA, ASIC, MAS and Canadian regulators. We are an innovative company with a diverse team of driven professionals steering TRAction's successful and continued expansion.

Join us to work alongside a highly experienced and vibrant team, access opportunities for career growth and further training, gain experience liaising with global clientele and develop invaluable skills within both the finance and rapidly expanding Regtech industry.

About the Role

The specific tasks of the role are;

- Develop and maintain process documentation in respect of
