### **Enhancing the DRC structure**

Quinn Perrott is the latest industry expert to join the Financial Commission's DRC – which consists of a diverse panel of industry professionals, who follow a non-bias protocol in order to process and resolve complaints from our members' clients.

With an extensive background in IT, Quinn started in the financial markets as IT Manager for City Index. He then went on to be co-founder and General Manager of AxiTrader, one of Australia's largest Margin FX providers.

Quinn's knowledge of OTC derivatives and trading platforms has made him an important figure in the derivatives regulatory and

industry reform space. Quinn has provided educational sessions to Australia's regulatory bodies in relation to retail derivatives trading platforms. Quinn has also dealt with Treasury in Canberra, Australia to advise on and discuss the retail OTC derivatives industry.

At the moment Quinn holds a position of General Manager in TRAction Fintech.
